Dear Sir/ Madam,

I am attaching pictures of the subject case, You are requested to provide suitable salvage quotes with RC & without RC.

P.s.:- 1. Buyers should be reputed and should be able to lift the vehicle at the offered price (If they win a bid) without any excuses or unnecessary tantrums
2. The vehicle is available as it is where it is basis, Check the photographs properly then raise the quote, Once confirmed from your side, it will be understood that you have checked it properly and are interested in lifting the salvage immediately.
3. The insurance company will give final approval to lift the salvage. (You will receive communication from the insurance company)

With regards
