We were deputed for the survey and assessment of a consignment of LED Lights of M/s Avni Energy Solution Pvt. Ltd., who had sent a consignment of 1000 LED Lights to its customer M/s Himaliya Trading Co. Bemina Srinagar Kmr. The consignment was sent to GATI Couriers Service, while receiving the consignment almost all the cardboard boxes were wet and damages condition. While testing the LED Lights it was observed that almost 850-900 LED Lights were damaged. This has probably caused by the rain water during transit.

We are giving auction of the said goods and the goods/ Lights are present at Consignee's Godown at Bemina Srinagar.

Any person interested for auction can give its value through mail. The details are given as under;

Total value of the consignment Rs.6,80,000.00

Thanking You.
